REFERENCE: 30 DAY POST ELECTION REPORT

We are in receipt of your correspondence dated January 15, 2015. Our committee has updated its report per the response due date of February 19, 2015. This communication is to clarify our report filings.

We have made every attempt to use the electronic filing system to correct any discrepancies in our reporting. Unfortunately, at this time, we cannot continue to submit information electronically to correct discrepancies.

As to Item #1, an attempt was made to correct the cash on hand balance to align with the 12 Day Pre-General Report.

As to Item #2, we submitted our electronic report in the same fashion as we have in every other reporting cycle. We have resubmitted this report in hopes that this is corrected.

As to Item #3, your recommendations are noted. This committee will be filing a termination report immediately to close out this committee's business.

As to Item #4, the debt owed from this campaign committee is owed to the candidate. Ms. Gagnier will be submitting a letter, per her conversation with a FEC analyst on February 18, 2015, forgiving the debt that is owed to her so that the committee may close its business.

Thank you for your attention to this matter.

Best Regards,

Kathleen Miller
Gagnier for Congress 2014
